Bill	Title	Sponsor	Description	*Status	USBE	USBA/ USSA	PTA	UEA	UAESP	UASSP	USEA
HB 1	Minimum School Program Base Budget Amendments	B. Last	This bill establishes a ceiling for the state contribution to the maintenance and operations portion of the Minimum School Program for fiscal year 2008-09 of \$2,327,524,711; appropriates \$27,288,900 to the State Board of Education for fiscal year 2008-09 for school building aid programs for school districts; and makes one-time appropriations for fiscal year 2007-08 for educator salary adjustments and bonuses. This bill appropriates: as an ongoing appropriation, \$2,333,813,611 from the Uniform School Fund for fiscal year 2008-09; as an ongoing appropriation, \$21,000,000 from the Interest and Dividends Account for fiscal year 2008-09; and for fiscal year 2007-08 only, \$22,347,000 from the Uniform School Fund. This bill provides an effective date.	GS		N					
HB 2	New Fiscal Year Supplemental Appropriations Act	R. Bigelow	This bill provides appropriations for the use and support of certain state agencies; provides appropriations for the use and support of certain institutions of higher education; provides appropriations for other purposes as described; provides intent language; approves employment levels for internal service funds; approves capital acquisition amounts for internal service funds; authorizes rates and fees. This bill appropriates for fiscal year 2009: \$108,907,100 from the General Fund; \$5,515,200 from the Uniform School Fund; \$30,739,500 from the Education Fund; \$95,533,500 from various sources as detailed in this bill. This bill takes effect July 1, 2008.	PHS							
HB 3	Appropriations Adjustments	R. Bigelow	This bill provides budget increases and decreases for the use and support of certain state agencies; provides funds for the bills with fiscal impact passed in the 2008 General Session; provides budget increases and decreases for other purposes as described; provides intent language. This bill appropriates for fiscal year 2008: \$49,100 from the General Fund; (\$49,100) from various sources as detailed in this bill. This bill appropriates for fiscal year 2009: (\$36,534,200) from the General Fund; \$104,180,200 from the Uniform School Fund; \$262,641,700 from the Education Fund; \$68,348,600 from various sources as detailed in this bill. Section 1 of this bill takes effect immediately. Section 2 of this bill takes effect on July 1,	PHS							
HB 52	Research Activities Tax Credits Amendments	J. Dougall	This bill addresses the taxable year for which certain tax credits for research activities may be claimed; addresses Utah Tax Review Commission study requirements for the tax credits; and makes technical changes. This bill has retrospective operation for taxable years beginning on or after January 1, 2008.	GS		O					
HB 66	Paraeducator to Teacher Scholarship Program	R. Menlove	This bill creates the Paraeducator to Teacher Scholarship Program which provides scholarships of up to \$10,000 to paraeducators employed by school districts and charter schools who are pursuing an associate's degree or bachelor's degree to become a licensed teacher; provides that scholarship monies may only be used for tuition costs for: an associate's degree program that fulfills credit requirements for the first two years of a bachelor's degree program leading to teacher licensure; or the first two years of a bachelor's degree program leading to teacher licensure; and directs the State Board of Education to: establish a committee to select scholarship recipients; and make rules to administer the Paraeducator to Teacher Scholarship Program. This bill appropriates: as an ongoing appropriation, \$1,000,000 from the Uniform School Fund for fiscal year 2008-09. This bill takes effect on July 1, 2008.	PHS		S		S		S	S
HB 67	Extended Year for Special Educators	R. Menlove	This bill directs the Legislature to annually appropriate money for stipends for special educators in the amount of \$200 per day for up to ten additional days of work; and requires special educators to: schedule the additional days of work before or after the school year; and use the additional days of work to perform duties related to the IEP process.	HFI	S	S	S	S		S	S
HB 68	Educator Relicensure Initiative	R. Menlove	This bill provides for the reinstatement of an educator's license subject to: payment of a licensing fee; successful completion of a criminal background check; and verification that the applicant's previous license had not been revoked, suspended, or surrendered; and requires the principal of a school at which an educator whose license is reinstated is employed to create, in consultation with the educator, a professional development plan for the educator.	PHS		S	S	S			
HB 69	Repeal of Board Leeway for Reading Improvement	J. Dougall	This bill consolidates the Base Level Program and the Guarantee Program; provides state funding for the K-3 Reading Improvement Program; modifies the distribution of program monies; and repeals the local school board leeway to fund part of a school district's K-3 Reading Improvement Program. This bill appropriates as an ongoing appropriation subject to future budget constraints, \$20,000,000 from the Uniform School Fund for fiscal year 2008-09 to the State Board of Education. This bill takes effect on July 1, 2008.	PH		N		O			
HB 69 S1	Repeal of Board Leeway for Reading Improvement	J. Dougall	This bill consolidates the Base Level Program and the Guarantee Program; provides state funding for the K-3 Reading Improvement Program; modifies the distribution of program monies; repeals the local school board leeway to fund part of a school district's K-3 Reading Improvement Program; and makes technical changes. This bill appropriates as an ongoing appropriation subject to future budget constraints, \$20,000,000 from the Uniform School Fund for fiscal year 2008-09 to the State Board of Education. This bill provides effective dates and provides for retrospective operation.	HFI

Bill	Title	Sponsor	Description	*Status	USBE	USBA/ USSA	PTA	UEA	UAESP	UASSP	USEA
HB 81	Task Force to Study Performance Incentives for Teachers	B. Last	This bill establishes the membership of the task force and provides for compensation of legislative members; outlines the duties of the task force; provides for staffing of the task force; and requires the task force to give a final report to the Education Interim Committee. This bill appropriates: \$42,630 from the General Fund for fiscal year 2007-08 only. This bill is repealed on November 30, 2008.	HFI		S	SC	S		S	SC
HB 84	Compensation of Educators with National Board Certification	C. Moss	This bill directs the State Board of Education to establish a program for school districts and charter schools to provide additional compensation for teachers who obtain National Board certification; requires school districts and charter schools to provide matching funds to qualify for the program; and specifies how program monies may be used. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$275,000 from the Uniform School Fund for fiscal year 2008-09 to the State Board of Education. This bill takes effect on July 1, 2008.	HFI	SC	S		S		S	
HB 85	Teacher Loan Program	L. Hemingway	This bill creates a loan program for teachers; establishes program funding requirements; and requires the State Board of Education to adopt administrative rules to implement the program. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$1,500,000 from the Uniform School Fund for fiscal year 2008-09 to the State Board of Education. This bill takes effect on July 1, 2008. <i>USBE Comment: The Utah State Board of Education supports this bill provided that an appropriation for administrative costs is included.</i>	HFI	S W/C	S	SC	SC			
HB 88	Elementary Education Co-teaching Pilot Program	J. Bird	This bill creates the Elementary Education Co-teaching Pilot Program to provide grants to charter schools and school districts to pay for costs relating to adopting the program; requires the State Board of Education to solicit grant proposals from charter schools and school districts and award grants on a competitive basis; directs the State Board of Education, in selecting grant recipients, to consider: certain benefits that may be achieved by a school district's adoption of the program; and the unique circumstances of charter schools and school districts; and requires the State Board of Education to make a report for three years. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$5,000,000 from the Uniform School Fund for fiscal year 2008-09 to the State Board of Education. This bill takes effect on July 1, 2008.	HFI		SC		S			
HB 91	Center for the School of the Future Incentives	J. Draxler	This bill appropriates money to the State Board of Education to distribute as grants to charter schools and schools within school districts to pay for costs related to using the services of the Center for the School of the Future at Utah State University; requires three annual reports about the incentive program; and appropriates money to Utah State University for the Center for the School of the Future. This bill appropriates as an ongoing appropriation subject to future budget constraints: \$250,000 from the Education Fund for fiscal year 2008-09 to the State Board of Education; and \$50,000 from the Education Fund for fiscal year 2008-09 to Utah State University. This bill takes effect on July 1, 2008.	HFI	SC	O	S				
HB 96	Retired Teachers - Return to Work	D. Bowman	This bill amends the six month post retirement wait period, for reemployment with the same agency, to 67 days for licensed educators who are at least 62 years of age and that retire and are reemployed from the same school district; clarifies that exceptions from postretirement employment restrictions are subject to federal limitations; and makes technical changes. This bill takes effect on July 1, 2008.	HFI	S	S	S	S	S	S	SC
HB 101	Amendments to Emergency Injection for Anaphylactic Reaction Act	T. Kiser	This bill defines terms; provides that a school, school board, or school official of a primary or secondary school may not prohibit or dissuade a teacher or other school employee from receiving training to administer, possessing, storing, or administering an epinephrine auto-injector; requires each primary or secondary school in the state to make an emergency epinephrine auto-injector available to any teacher or other school employee employed at the school and is qualified to administer an epinephrine auto-injector; requires each primary and secondary school to make training available, regarding the storage and use of an epinephrine auto-injector, to a teacher or other school employee who volunteers to take the training; and makes technical changes.	PHS		U					S
HB 107	Emergency Management Administrative Council	C. Oda	This bill changes the name of the Disaster Emergency Advisory Council to the Emergency Management Administration Council; expands its duties to include coordination with both state and local government agencies on government emergency prevention, mitigation, preparedness, response, and recovery actions and activities; changes the membership of the council; requires the council to coordinate with existing emergency management entities; allows the council to create additional committees and task forces as needed; and makes technical changes. This bill coordinates with H.B. 63, Recodification of Title 63, State Affairs in General, by providing technical amendments.	PHS		N					
HB 112	Public Education Foundation Amendments	S. Allen	This bill requires school district foundations to report certain financial information to schools; requires a local school board that establishes a foundation to require the foundation to follow certain accounting, purchasing, and check issuance policies; and makes technical corrections.	PHS	S	S		S	S	S	S
HB 113	School Financial Disclosure	K. Sumsion	This bill requires a school district or charter school to: make monthly and year-end reports of expenditures made by the school district or charter school; and publish the reports on the Internet.	HR	O	O

HB 113 S1	School Financial Disclosure	K. Sumsion	This bill requires a school district or charter school to make a report at the end of each fiscal year summarizing: by vendor, expenditures made; and by employee, gross wages paid; and requires the reports to be published on the Internet. <i>USBE Comment: The Utah State Board of Education is concerned about costs associated with this bill.</i>	HFI	SC W/C	U W/C					
HB 118	Veterans High School Diplomas	L. Hemingway	This bill allows a board of education of a school district to award an honorary high school diploma to a veteran who: left high school before graduating to serve in the armed forces of the United States; and served in the armed forces of the United States during the period of World War II, the Korean War, or the Vietnam War; and specifies eligibility requirements and procedures for requesting an honorary high school diploma.	PHS		S					
HB 120	Education Printing Office	R. Bigelow	This bill establishes a printing office under the direction of the State Board of Education that may: produce, print, and distribute original materials; and contract to print and distribute materials that a school district, charter school, or private source has produced; and sets priorities for the printing office. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$1,400,000 from the Education Fund for fiscal year 2008-09 to the State Board of Education. This bill takes effect on July 1, 2008.	HC		O				O	
HB 120 S1	Education Materials Center	R. Bigelow	This bill establishes a materials center under the direction of the State Board of Education; requires the materials center to: develop and create original materials and gather available materials; and make the materials available on-line for school districts, charter schools, schools, and educators; allows the materials center to use the state printing contract to print materials; and sets priorities for the materials center. This bill appropriates as an ongoing appropriation subject to future budget constraints, \$1,400,000 from the Education Fund for fiscal year 2008-09 to the State Board of Education. This bill takes effect on July 1, 2008.	HFI		U				O	
HB 123	Accelerated Learning Programs Amendments	B. Ferry	This bill increases the appropriation for accelerated learning programs; and requires the State Board of Education to award certain grants to: ensure that small school districts and charter schools receive adequate funds to offer accelerated learning programs; and allow certain courses with a potential small enrollment to be offered; and makes technical corrections. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$1,000,000 from state and local funds for fiscal year 2008-09 to accelerated learning programs. This bill takes effect on July 1, 2008. This bill coordinates with H.B. 1 by providing that certain amendments in this bill supersede the amendments in H.B. 1 and that certain amendments in H.B. 1 supersede the amendments in this bill. This bill coordinates with S.B. 2 by providing that certain amendments in this bill supersede the amendments in S.B. 2 and that certain amendments in S.B. 2 supersede the amendments in this bill.	HFI		H	S				
HB 127	Community Council Elections	K. Sumsion	This bill adds provisions for conducting elections of members of school community councils by secret ballot; requires the principal of the school, or the principal's designee, to provide notice of the available community council positions at least three weeks before the date of the election, in order to allow candidates to file for office; requires candidates to file a written declaration of candidacy with the principal of the school, or the principal's designee, no later than 15 days before the election; requires that a notice of the election be given with a list of candidates that have filed, and the date, room, and hours that the voting will be open, which shall include evening hours, not less than two weeks before the election; provides that the principal of the school, or the principal's designee, is the chief election judge for the election; provides that the chief election judge shall appoint other elections judges to ensure that: at least two election judges are present during voting and tabulation of the results; only qualified individuals vote; and ballots are secure; requires voters to sign the list of qualified voters next to their name before being given a ballot; requires the election judges to tabulate the results and keep the election materials for a certain period after the election; and makes technical changes. <i>USBE Comment: The Utah State Board of Education is conducting a school community council audit.</i>	HC	N W/C	U	O	H			
HB 127 S1	Community Council Elections	K. Sumsion	This bill adds provisions for conducting elections of members of school community councils by secret ballot; requires the principal of the school, or the principal's designee, to provide notice of the available community council positions at least 21 days before the date of the election, in order to allow candidates to file for office; requires candidates to file a written declaration of candidacy with the principal of the school, or the principal's designee, no later than 15 days before the election; requires that a notice of the election for parent or guardian members include a list of candidates that have filed, and the dates, location, and hours that the voting will be open, which shall include evening hours, not less than two weeks before the election; provides procedures for elections of parent or guardian members, including requirements that: the principal of the school, or the principal's designee, act as the chief election judge for the election; the chief election judge appoint other elections judges to ensure that at least two election judges are present during voting and tabulation of the results, that only qualified individuals vote, and that ballots are secure; voters sign the list of qualified voters next to their name before being given a ballot; the election judges tabulate the results and keep the election materials for a certain period after the election; and makes technical changes. This bill coordinates with H.B. 254, School Community Council Amendments, by substantively modifying language.	HC

HB 166	Minutes of Open and Public Meetings	M. Brown	This bill requires written minutes of open meetings to be available to the public no later than the earlier of: the next scheduled meeting; or 14 days after the end of the meeting; and makes technical changes.	<u>HC</u>		U					
HB 166 S1	Minutes of Open and Public Meetings	M. Brown	This bill requires written minutes of open meetings to be available to the public within 14 days after the date of the meeting or at the next scheduled meeting, whichever is later; allows minutes of an open meeting to be classified as a protected draft; provides that minutes of an open meeting are public records when they are distributed for approval by the public body; and makes technical changes.	<u>H</u>	S			S			
HB 166 S2	Minutes of Open and Public Meetings	M. Brown	This bill requires written minutes of open meetings to be available to the public within 14 days after the date of the meeting; clarifies that drafts of written minutes of an open meeting may be classified as a protected draft; provides that minutes of an open meeting are public records when they are distributed for approval by the public body; and makes technical changes.	<u>HFI</u>							
HB 189	School Community Councils	R. Bigelow	This bill requires a school community council to provide the following information to each household that has a student attending the school: a school community council meeting schedule for the year; a mid-year action and activity report; and an end-of-year report, including how the school's School LAND Trust Program monies were used; specifies delivery methods for the information; and makes technical corrections. This bill takes effect on July 1, 2008.	<u>H</u>	SC	SC	SC				
HB 189 S1	School Community Councils	R. Bigelow	This bill requires a school community council to provide the following information to each household that has a student attending the school: a school community council meeting schedule for the year; a mid-year action and activity report; and an end-of-year report, including how the school's School LAND Trust Program monies were used; specifies delivery methods for the information; and makes technical corrections. This bill takes effect on July 1, 2008.	<u>PHS</u>							
HB 194	Class Size Reduction in Kindergarten Through Grade Three	K. Morgan	This bill establishes an additional appropriation for class size reduction; provides conditions for schools to participate in the K-3 Class Size Reduction Incentive Program; requires certain reports; requires certain rulemaking by the State Board of Education; requires the Legislature to provide for an annual adjustment in the appropriation for class size reduction; and makes technical corrections. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$26,000,000 from state and local funds for fiscal year 2008-09 to the K-3 Class Size Reduction Incentive Program. This bill takes effect on July 1, 2008. This bill coordinates with H.B. 1 by providing that certain amendments in this bill supersede the amendments in H.B. 1 and that certain amendments in H.B. 1 supersede the amendments in this bill. This bill coordinates with S.B. 2 by providing that certain amendments in this bill supersede the amendments in S.B. 2 and that certain amendments in S.B. 2 supersede the amendments in this bill.	<u>HFI</u>	SC	SC W/C	S	S			S
HB 200	Early Childhood Learning and Evaluation	B. Last	This bill establishes within the public education system a pilot project known as UPSTART which uses a home-based educational technology program to develop school readiness skills of preschool children; directs the State Board of Education to contract with: an educational technology provider, selected through a request for proposals process, for the delivery of a home-based educational technology program to develop school readiness skills of preschool children; and an independent evaluator to evaluate the home-based educational technology program for preschool children; specifies standards for the home-based educational technology program for preschool children; provides for school district participation in the pilot project; requires an annual audit of the contractor's use of funds appropriated for UPSTART and an annual report on UPSTART to the Legislature; and repeals the pilot project on July 1, 2014. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$9,600,000 from the Uniform School Fund for fiscal year 2007-08 to the State Board of Education. This bill provides an immediate effective date.	<u>H</u>	SC	O	O				H
HB 200 S1	Early Childhood Learning and Evaluation	B. Last	This bill establishes within the public education system a pilot project known as UPSTART which uses a home-based educational technology program to develop school readiness skills of preschool children; directs the State Board of Education to contract with: an educational technology provider, selected through a request for proposals process, for the delivery of a home-based educational technology program to develop school readiness skills of preschool children; and an independent evaluator to evaluate the home-based educational technology program for preschool children; specifies standards for the home-based educational technology program for preschool children; provides for school district participation in the pilot project; requires an annual audit of the contractor's use of funds appropriated for UPSTART and an annual report on UPSTART to the Legislature; and repeals the pilot project on July 1, 2014. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$2,500,000 from the Uniform School Fund for fiscal year 2008-09; and for fiscal year 2007-08 only, \$1,000,000 from the Uniform School Fund. This bill provides an immediate effective date.	<u>HFI</u>

Bill	Title	Sponsor	Description	*Status	USBE	USBA/ USSA	PTA	UEA	UAESP	UASSP	USEA
HB 202	Employee Benefit Amendments	J. Dougall	This bill defines certain terms; allows certain elected state officials and certain appointed executives and senior staff to elect to have the members' defined benefit balance transferred from the defined benefit system or plan to a defined contribution plan; allows certain employees to be excluded, upon written request, from future coverage under the Public Employees' Contributory Retirement System and the Public Employees' Noncontributory Retirement System, including employees of the Commission on Criminal and Juvenile Justice, employees of the governor's offices, and employees of the state treasurer and state auditor; provides that participating employers may allow new public safety service employees who are eligible for the Public Safety Noncontributory Retirement System to elect instead to become a member of the Public Employees' Noncontributory Retirement System and receive the difference in cost in their salary; and makes technical changes. This bill provides an immediate effective date.	<u>S</u>		N		O			O
HB 202 S1	Employee Benefit Amendments	J. Dougall	This bill defines certain terms; allows certain elected state officials and certain appointed executives and senior staff to elect to have the members' defined benefit balance transferred from the defined benefit system or plan to a defined contribution plan; allows certain employees to be excluded, upon written request, from future coverage under the Public Employees' Contributory Retirement System and the Public Employees' Noncontributory Retirement System, including employees of the Commission on Criminal and Juvenile Justice, employees of the governor's offices, and employees of the state treasurer and state auditor; and makes technical changes. This bill provides an immediate effective date.	<u>PHS</u>							
HB 204	Utah College of Applied Technology Amendments	R. Bigelow	This bill requires at least 50% of funding requests for new capital facilities of the Utah College of Applied Technology to be for facilities that are within reasonable walking distance of a high school; requires an evaluation committee to study Utah College of Applied Technology and applied technology education issues; specifies evaluation committee membership, responsibilities, and staff support; and requires the evaluation committee to report to the Education Interim Committee and the Executive Appropriations Committee by November 30, 2008. Uncodified Section 2 is repealed on November 30, 2008.	<u>HFI</u>		N					
HB 212	State System of Public Education Amendments	J. Dougall	This bill increases the state's total contribution toward the cost of the minimum school program; and increases the value of the weighted pupil unit. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$85,692,967 from state and local funds for fiscal year 2008-09 to the minimum school program. This bill takes effect on July 1, 2008.	<u>HC</u>		SC W/C					
HB 212 S2	Educator Salary Adjustments	J. Dougall	This bill directs the Legislature, subject to future budget constraints, to appropriate money for educator salary adjustments; modifies the positions that qualify for educator salary adjustments; and makes technical corrections. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$88,250,100 from the Uniform School Fund for fiscal year 2008-09. This bill takes effect on July 1, 2008. <i>USBE Comment: The Utah State Board of Education supports this bill and supports adding building administrators.</i>	<u>HFI</u>	S W/C	SC W/C		S W/C			O
HB 214	School Testing Specialists	S. Sandstrom	This bill directs the Legislature, subject to future budget constraints, to annually appropriate money to the State Board of Education for school testing specialists to allow teachers to have more time for instruction; and requires the State Board of Education to: adopt a formula for the distribution of money appropriated for school testing specialists; and make rules specifying how money for school testing specialists may be used and requiring reporting of monies spent. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$3,600,000 from the Uniform School Fund for fiscal year 2008-09 to the State Board of Education. This bill takes effect on July 1, 2008.	<u>HFI</u>		H					
HB 226	Disruption of School Activities	C. Moss	This bill provides that it is a class A misdemeanor to enter onto school property in order to evade law enforcement; provides that not knowing the property is school property is not a defense; and requires that the defendant reimburse the school for the costs of responding to the defendant's presence on school property.	<u>HFI</u>		S					
HB 232	Elementary School Math Initiative	S. Mascaro	This bill creates an elementary school math initiative; establishes program requirements and funding allocation criteria; requires a plan for improving mathematics proficiency and a report on the results to the State Board of Education; and grants rulemaking authority to the State Board of Education. This bill appropriates: as an ongoing appropriation subject to future budget restraints, \$18,000,000 from the Education Fund to the State Board of Education. This bill takes effect on July 1, 2008.	<u>HFI</u>	S	S	S	S			S
HB 234	Kindergarten Assessment Amendments	L. Shurtliff	This bill encourages schools to schedule the kindergarten readiness assessment early enough before the kindergarten starting date so that a parent has time to develop the child's needed skills as identified by the assessment.	<u>PHS</u>	S	S	S	S

Bill	Title	Sponsor	Description	*Status	USBE	USBA/ USSA	PTA	UEA	UAESP	UASSP	USEA
HB 240	Public Education Funding - Block Grant Amendments	S. Allen	This bill requires the Legislature, subject to future budget constraints, to annually increase appropriations for the Local Discretionary Block Grant Program, Interventions for Student Success Block Grant Program, and Quality Teaching Block Grant Program by the percentage increase in the value of the weighted pupil unit. This bill takes effect July 1, 2008.	HFI	S	S	S	S	S	S	S
HB 244	State School Board - Elections and Districts	C. Wimmer	This bill requires members of the State Board of Education to be elected in partisan elections; provides candidate qualification, nomination, and election procedures; amends the procedures for filling midterm vacancies of members of the State Board of Education; repeals the State Board of Education nominating and recruiting committee; provides that districts for State Board of Education members shall be identical to Utah State Senate districts; and makes technical corrections. This bill provides an immediate effective date.	L	O	O	O	O		O	O
HB 245	Administration of Medication to Students Amendments	R. Lockhart	This bill allows school administrators rather than school boards to meet certain requirements; modifies the role of school nurses relating to the administration of medication to students; and makes technical corrections. <i>USBE Comment: The Utah State Board of Education supports this bill but believes necessary funding should be included.</i>	PHS	S W/C	SC W/C	S				
HB 254	School Community Council Amendments	R. Menlove	This bill expands eligibility for school community council membership; and allows schools, in consultation with local school boards, to set the beginning date of the term of office for school community council members.	HC		S					H
HB 254 S1	School Community Council Amendments	R. Menlove	This bill allows schools, in consultation with local school boards, to set the beginning date of the term of office for school community council members.	PHS		S	S	S		S	
HB 255	State Office of Education Human Resource Management Amendments	R. Menlove	This bill requires the State Board of Education to adopt human resource policies and procedures governing its employees; exempts all employees instead of only certified employees of the State Board of Education from overtime provisions administered by the Department of Human Resource Management; exempts all employees instead of only certified employees of the State Board of Education from classified service provisions administered by the Department of Human Resource Management; and exempts employees of the State Board of Education from career service provisions administered by the Department of Human Resource Management. This bill takes effect on July 1, 2008.	HFI		S					
HB 266	Accelerated Learning Program Revisions	C. Moss	This bill authorizes public schools to use appropriations for accelerated learning programs for International Baccalaureate programs; and increases the appropriation for accelerated learning programs. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$300,000 from state and local funds for fiscal year 2008-09 to accelerated learning programs. This bill takes effect on July 1, 2008. This bill coordinates with H.B. 1 by providing that certain amendments in this bill supersede the amendments in H.B. 1 and that certain amendments in H.B. 1 supersede the amendments in this bill. This bill coordinates with S.B. 2 by providing that certain amendments in this bill supersede the amendments in S.B. 2 and that certain amendments in S.B. 2 supersede the amendments in this bill. <i>USBE Comment: The Utah State Board of Education supports the concept of this bill but would like to see the IB Program added to the list of accelerated learning programs. The Board also reaffirms that the IB Program is a strong college prep program and accepted by all major colleges and universities.</i>	HFI	S W/C	S	S	S			
HB 270	Utah Science Technology and Research Initiative Centers	R. Bigelow	This bill creates an optional grant program to provide an extended year for math and science teachers through the creation of Utah Science Technology and Research Initiative (USTAR) Centers. This bill: creates the USTAR Centers Program to provide grants to charter schools and school districts to pay for costs relating to adopting the program; requires the State Board of Education to solicit grant proposals from charter schools and school districts and award grants on a competitive basis; directs the State Board of Education, in selecting grant recipients, to consider: certain benefits that may be achieved by a school district's adoption of the program; and the unique circumstances of charter schools and school districts; and requires the State Board of Education to make a report for three years. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$11,000,000 from the Uniform School Fund for fiscal year 2008-09 to the State Board of Education. This bill takes effect on July 1, 2008.	HFI	S	S	S	S			S
HB 274	Utah K-8 Online Virtual School	B. Ferry	This bill provides definitions; authorizes the State Board of Education to establish Utah K-8 Online, a virtual school; provides for the participation of Utah K-8 Online students in other public school programs; requires the State Board of Education to make certain rules; provides for the funding of Utah K-8 Online; and makes technical corrections. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$4,713,150 from the Uniform School Fund to the State Board of Education; and \$100,000 from the Uniform School Fund for fiscal year 2008-09 only, to the State Board of Education. This bill provides an immediate effective date. <i>USBE Comment: The Utah State Board of Education would prefer to move forward incrementally.</i>	HC	SC W/C	S					H

HB 364 S2	Promotion of Health Care Coverage	K. Holdaway	This bill requires the Department of Workforce Services, the State Board of Education, and the department to: collaborate with one another to develop a process to identify the health insurance status of certain children in public schools; report to the Legislature on the development of the process; and implement the process no later than the 2009-10 school year; requires the Department of Workforce Services to promote and facilitate the enrollment of the children identified in public schools without health insurance in the Utah Children's Health Insurance Program or the Medicaid program; and provides that under certain conditions an individual who qualifies for premium assistance under the Utah's Premium Partnership for Health Insurance Program, or the individual's dependents, may enroll in an employer health benefit plan outside an open enrollment period. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$100,000 from the General Fund for fiscal year 2008-09 to the Division of Health Care Financing within the Department of Health to promote awareness of and facilitate enrollment in the Utah's Premium Partnership for Health Insurance Program.	<u>PHS</u>		H					
HB 368	School Fee Waiver Amendments	J. Draxler	This bill establishes criteria for the distribution of the funds; beginning on July 1, 2010, makes compensation for impacts of fee waivers conditioned upon compliance with certain financial reporting requirements; and prescribes the amount of funds an impacted school district may receive. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$1,500,000 from the Uniform School Fund for fiscal year 2008-09 to the State Board of Education. This bill takes effect on July 1, 2008.	<u>HFI</u>		S					
HB 372	Teacher Reemployment after Retirement	E. Hutchings	This bill amends the six month postretirement wait period, for reemployment with the same agency, to 60 days for licensed educators who retire and are reemployed from the same school district; clarifies that exceptions from postretirement employment restrictions are subject to federal limitations; and makes technical changes. This bill takes effect on July 1, 2008.	<u>HFI</u>							
HB 374	Child Abuse and Neglect Prevention and Treatment Amendments	P. Ray	This bill provides that a local board of education may grant to the superintendent the authority to approve a child abuse or neglect prevention or treatment service or program which is intended for presentation in a public school; permits, under certain circumstances, the waiver or reduction of cash-matching and in-kind matching requirements in order for an entity to receive funds from the Children's Trust Account; amends provisions relating to the Child Abuse Advisory Council, including provisions regarding reimbursement of members for expenses and the number of members that constitute a quorum; and makes technical changes.	<u>PHS</u>		S					
HB 382	Financing Public Education	M. Newbold	This bill increases the minimum basic property tax levy imposed by school districts statewide to a set rate of .00200; modifies the certified tax rate calculation for school districts as a result of the increase in the minimum basic levy tax rate; modifies the advertisement requirements for a tax rate increase above the state's certified tax rate for the minimum basic levy; defines terms; and makes technical changes. This bill takes effect on January 1, 2009.	<u>HC</u>		O					
HB 382 S1	Financing Public Education	M. Newbold	This bill modifies the general bonding authority of school districts; repeals the authority of school districts to levy certain property taxes; increases the statewide minimum basic tax rate; creates a new local school district discretionary levy; sets the tax rate for the local school district discretionary levy for the first taxable year; provides procedures for setting the tax rate for the local school discretionary levy after the first taxable year; prohibits a taxing entity from imposing a property tax rate higher than the taxing entity's certified tax rate for three years; adjusts a school district's certified tax rate due to the repeal or amendment of the property taxing authority of the school district; defines terms; and makes technical changes. This bill provides an effective date and provides retrospective operation for Section 59-2-919.1. This bill coordinates with H.B. 77, Personal Property Tax Amendments, by changing technical cross references.	<u>HFI</u>		O					
HB 383	Statewide Capital Outlay Equalization	A. Tilton	This bill defines terms; creates the Capital Outlay Equalization Fund; requires certain school districts to impose a basic capital outlay levy that is equalized; deposits revenues from the basic capital outlay levy into the Capital Outlay Equalization Fund; makes allocations from the Capital Outlay Equalization Fund using specified criteria; creates a certified tax rate calculation related to capital outlay for school districts for purposes of truth in taxation; appropriates money for the Capital Outlay Foundation and Capital Outlay Enrollment Growth Programs; and makes technical corrections. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$27,288,900 from the Uniform School Fund for fiscal year 2008-09 to the State Board of Education. This bill takes effect July 1, 2008.	<u>HFI</u>	W	O					
HB 391	Public School Funding	W. Harper	This bill repeals the authority of school districts to levy certain property taxes; requires a school district to abate certain property taxes raised for debt service to the extent that money is available from other sources for the payment of bond interest, principal, and redemption premiums; requires a school district to use the money received from the increase in the sales and use tax to offset the loss of certain property tax revenue; prohibits a taxing entity from imposing a property tax rate higher than the taxing entity's certified tax rate for three years; increases the sales and use tax on certain transactions by 1.65%; dedicates the revenue generated by the 1.65% increase to the Uniform School Fund; adjusts a school district's certified tax rate due to the repeal or amendment of the property taxing authority of the school district; defines terms; and makes technical changes. This bill provides an effective date and provides retrospective operation for Section 59-2-919.1.	<u>HR</u>		O

HB 471	Educator Compensation Modifications	G. Hughes	This bill provides definitions; directs the Legislature to annually appropriate money for the Teacher Salary Supplement Program; requires the Department of Human Resource Management to: create an on-line application system; determine a teacher's eligibility for and the amount of a salary supplement; and certify information to the Division of Finance; requires a school district or charter school to provide a salary supplement of \$5,000 to a teacher who fills a mathematics or science position for which there is a critical shortage of qualified personnel; and establishes the Teacher Salary Supplement Restricted Account. This bill appropriates: \$127,000 from the General Fund for fiscal year 2007-08 only, to the Department of Human Resource Management; as an ongoing appropriation subject to future budget constraints, \$190,000 from the General Fund for fiscal year 2008-09; and as an ongoing appropriation subject to future budget constraints, \$6,000,000 from the Uniform School fund for fiscal year 2008-09. <i>USBE Comment: The Utah State Board of Education opposes this bill indicating that it supports the concept but opposes how it is administered. The Board would like to see special needs teachers added.</i>	HFI	O W/C	O W/C					
HB 472	Charter School Building and Enrollment Amendments	K. Garn	This bill modifies the reporting deadlines and requirements relating to students who have accepted enrollment in a charter school; modifies provisions of the Charter School Building Subaccount within the School Building Revolving Account; makes a nonlapsing appropriation; and makes technical corrections. This bill appropriates: \$4,000,000 from the Uniform School Fund for fiscal year 2008-09 only, to the Charter School Building Subaccount within the School Building Revolving Account. This bill takes effect on July 1, 2008.	HC		O					
HB 472 S1	Charter School Building and Enrollment Amendments	K. Garn	This bill modifies the reporting deadlines and requirements relating to students who have accepted enrollment in a charter school; and makes technical corrections.	PHS		S					
HB 475	Labor Organization Amendments	G. Hughes	This bill requires that only an employee can submit a written request to an employer to have payroll deductions made to pay union dues; provides for the prompt commencement and ceasing of deductions upon request; prohibits an employee who requests to have payroll deductions made to pay union dues from being required to continue the payments for any set period or total amount; provides that a labor organization is not liable to an employee for terminating those services or benefits that are only available to members of the labor organization if the employee requests that the employer cease making deductions for union dues benefitting the labor organization; and makes technical changes.	H		N					
HB 475 S1	Labor Organization Amendments	G. Hughes	This bill removes a limit on the percentage of wages that can be deducted from an employee's wages to be paid to a labor organization; requires an employer to promptly commence or cease making deductions upon an employee's written request; provides that a labor organization is not liable to an employee for terminating those services or benefits that are only available to members of the labor organization if the employee requests that the employer cease making deductions for union dues benefitting the labor organization; and makes technical changes.	HFI							
HB 484	Certification by Paraeducators	E. Hutchings		L							
HB 488	Kindergarten Program Amendments	K. Morgan	This bill provides definitions; makes a part-day kindergarten program that has student enrollment below the average class size of all other kindergarten programs within a school district eligible to receive voluntary extended-day kindergarten program funding; and makes technical corrections. This bill takes effect on July 1, 2008.	HFI		H					
HB 490	Legislative Task Forces and Study Priorities	D. Clark	This bill establishes statutory provisions for legislative task forces, including membership, chairs, compensation of members, and staffing; establishes the Education Systems for the 21st Century Task Force and the Immigration Task Force; requires the task forces to review, make recommendations, and present a final report on specified issues; and authorizes up to five additional meetings during the 2008 interim for the Education Interim Committee and the Revenue and Taxation Interim Committee. This bill appropriates: \$185,000 from the General Fund for fiscal year 2007-08 only. The uncoded sections in this bill are repealed on November 30, 2008.	S							
HB 490 S1	Legislative Task Forces and Study Priorities	D. Bill	Title	Sponsor	Description	*Status	USBE	USBA/ USSA	PTA	UEA	UAESP	UASSP	USEA
<u>HCR 1</u>	Meth Awareness for Students and Educators Resolution	<u>C. Oda</u>	This resolution strongly urges that all junior high, senior high, and post-secondary education programs in the state provide timely and age appropriate materials on the dangers of meth use and that these materials be made available to the business community, city and county governments, and religious communities. <i>USBE Comment: The Utah State Board of Education believes this bill is unnecessary because it is a duplication of practice.</i>	<u>PHS</u>	U W/C	S	S	S			
<u>HJR 3</u>	Resolution Reaffirming the Words, under God, in the Pledge of Allegiance	<u>K. Gibson</u>	This resolution reaffirms the words "under God" as part of the official Pledge of Allegiance of the United States of America.	<u>PHS</u>		S					
<u>HJR 4</u>	Joint Resolution Urging School Closings to Recognize Veterans Day	<u>C. Wimmer</u>	This resolution urges the State Board of Education to close public schools on Veterans Day to allow students to more fully recognize veterans for preserving freedom for the United States and its citizens. <i>USBE Comment: The Utah State Board of Education believes this bill is unnecessary because it should be a local prerogative.</i>	<u>PHS</u>	O W/C	O LI	U				
<u>HJR 12</u>	Joint Resolution Amending the Utah Constitution - Stock and Bond Subscriptions	<u>D. Clark</u>	This resolution proposes to amend the Utah Constitution to: authorize the state to subscribe to stock or bonds using funds in the permanent State School Fund and funds derived from federal land grants designated in the Enabling Act, except as limited by statute. This resolution directs the lieutenant governor to submit this proposal to voters. This resolution provides a contingent effective date of January 1, 2009 for this proposal.	<u>PHS</u>	S	S	S	S			
<u>SB 1</u>	State Agency and Higher Education Base Budget Appropriations	<u>L. Hillyard</u>	This bill provides appropriations for the use and support of certain state agencies; provides appropriations for the use and support of certain institutions of higher education; provides appropriations for other purposes as described; approves employment levels for internal service funds; approves capital acquisition amounts for internal service funds. This bill appropriates for fiscal year 2008: \$18,731,300 from the General Fund; \$44,236,800 from the Uniform School Fund; \$820,200 from various sources as detailed in this bill. This bill appropriates for fiscal year 2009: \$2,106,518,450 from the General Fund; \$133,460,700 from the Uniform School Fund; \$2,908,010,600 from the Education Fund; \$5,345,749,328 from various sources as detailed in this bill. Section 1 of this bill takes effect immediately. Section 2 of this bill takes effect on July 1, 2008.	<u>GS</u>		N					
<u>SB 2</u>	Minimum School Program Budget Amendments	<u>H. Stephenson</u>	This bill establishes the value of the weighted pupil unit at \$2,577; establishes a ceiling for the state contribution to the maintenance and operations portion of the Minimum School Program for fiscal year 2008-09 of \$2,495,183,979; modifies provisions related to the funding of charter schools; authorizes the use of appropriations for accelerated learning programs for International Baccalaureate programs; modifies the positions that qualify for educator salary adjustments and increases the salary adjustments for those positions; establishes and funds the following ongoing programs: a pilot project using a home-based educational technology program to develop school readiness skills of preschool children; a financial and economic literacy passport to track student mastery of certain concepts; the Teacher Salary Supplement Program to provide a salary supplement to an eligible teacher; stipends for special educators for additional days of work; an optional grant program to provide an extended year for math and science teachers through the creation of Utah Science Technology and Research Centers; the High-ability Student Initiative Program to provide resources for educators to enhance the academic growth of high-ability students; and the English Language Learner Family Literacy Centers Program; makes one-time appropriations for fiscal year 2008-09 for: pupil transportation to and from school; the Beverley Taylor Sorenson Elementary Arts Learning Program to provide grants to integrate arts teaching and learning into selected schools; and classroom supplies; requires the State Board of Education to allocate Minimum School Program nonlapsing balances to provide: one-time signing bonuses for new teachers; one-time performance-based compensation; and a grant program to minimize the expenses of teachers to obtain the American Board Distinguished Teacher certification and to provide additional compensation to teachers who obtain that certification; provides a repeal date for certain pilot programs; makes nonlapsing appropriations; and makes technical corrections. This bill appropriates: the following Minimum School Program Monies: \$2,436,864,479 from the Uniform School Fund for fiscal year 2008-09; \$26,499,500 from the Uniform School Fund Restricted - Interest and Dividends Account for fiscal year 2008-09; \$31,820,000 from the Uniform School Fund for fiscal year 2008-09 only; and \$280,000 from the Uniform School Fund for fiscal year 2007-08 only; and the following other education program monies: \$3,469,580 from the Uniform School Fund for fiscal year 2008-09; \$150,000 from the Uniform School Fund for fiscal year 2008-09 only; \$1,000,000 from the Uniform School Fund for fiscal year 2007-08 only; \$250,000 from the General Fund for fiscal year 2008-09; and \$50,000 from the General Fund for fiscal year 2007-08 only. This bill provides an effective date. This bill coordinates with H.B. 1 by providing superseding and substantive amendments.	<u>SR</u>

SB 13 S1	Candidate Residency Requirements	P. Knudson	This bill establishes residency requirements for state and local boards of education; provides that residency requirements for local boards of education are effective for elections held after the 2008 general election; and makes technical changes. This bill provides an immediate effective date.	PSH		N					
SB 28	Apportionment of Business Income, Attributing Sales to the State, and Deduction of Net Losses by a Unitary Group	H. Stephenson	This bill allows a taxpayer to elect to apportion business income to the state on the basis of a formula that weights the sales factor more heavily than the property or payroll factors; addresses a taxpayer's ability to make or revoke an election to use a particular method for apportioning business income to the state; addresses a taxpayer's ability to carry forward or carry back certain amounts; addresses the ability of a unitary group to deduct a net loss of an acquired corporation if the unitary group uses an apportionment method different than the apportionment method used by the acquired corporation prior to the date of acquisition; addresses the circumstances under which certain sales are considered to be made in this state; and makes technical changes. This bill has retrospective operation for taxable years beginning on or after January 1, 2008.	SFI		O		O			O
SB 29	Truth in Taxation Amendments	W. Niederhauser	This bill amends certain exemptions from property tax advertisement and hearing requirements; requires a school district to include a statement in its proposition submitted to its voters voting on the imposition or modification of a voted leeway program under certain circumstances; requires a taxing entity to submit certain property tax levies to a vote of the people prior to imposing those tax levies; provides procedures and requirements for imposing certain tax rates in excess of a taxing entity's certified tax rate; defines terms; and makes technical changes. This bill takes effect on July 1, 2008.	SC		O					
SB 29 S1	Truth in Taxation Amendments	W. Niederhauser	This bill amends certain exemptions from property tax advertisement and hearing requirements; requires a school district to include a statement in its proposition submitted to its voters voting on the imposition or modification of a voted leeway program under certain circumstances; provides that a school district may continue to receive the full amount of state guarantee money tied to the voted leeway program and board approved leeway for a period of five years if the school district's guarantee would have been reduced solely due to changes in the school district's certified tax rate; defines terms; and makes technical changes.	PSH		U					
SB 33	Department of Community and Culture - State-owned Art Inventory	M. Madsen	This bill changes the name of the State-Owned Art Collections Inventory Study Act to the State-Owned Art Inventory Program Act; defines "entity" for purposes of the act; requires an entity in possession of state-owned art to: create a comprehensive and consistent inventory of that art; and certify the inventory with the Division of Arts and Museums; requires the Division of Arts and Museums to provide an annual report to the Workforce Services and Community and Economic Development Interim Committee on inventoried state-owned art; and provides for educational outreach and technical training by the Division of Arts and Museums to entities in possession of state-owned art to assist in the creation of a required art inventory and compliance with certification requirements.	SFI		O	O				
SB 35	Differentiated Pay for Teachers	H. Stephenson	This bill directs the Legislature to annually appropriate money for market incentives in the form of additional compensation for mathematics and science teachers who: fill positions for which there is a critical shortage of qualified personnel; and have a major or a course work equivalent of a major in the subject taught or a related academic area; requires the State Board of Education to conduct an annual survey to identify mathematics and science positions for which there is a shortage of qualified personnel; and requires a school district or charter school to provide a salary supplement of \$5,000 to a teacher who: fills a mathematics or science position for which there is a critical shortage of qualified personnel; and has a major or a course work equivalent of a major in the subject taught or a related academic area. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$7,000,000 from the Uniform School fund for fiscal year 2008-09. This bill takes effect on July 1, 2008.	HR	SC	H	S	O			O
SB 35 S1	Differentiated Pay for Teachers	H. Stephenson	This bill provides definitions; directs the Legislature to annually appropriate money for the Teacher Salary Supplement Program; requires the Department of Human Resource Management to: create an on-line application system; determine a teacher's eligibility for and the amount of a salary supplement; and certify information to the Division of Finance; requires a school district or charter school to provide a salary supplement of \$5,000 to a teacher who fills a mathematics or science position for which there is a critical shortage of qualified personnel; and establishes the Teacher Salary Supplement Restricted Account. This bill appropriates: \$127,000 from the General Fund for fiscal year 2007-08 only, to the Department of Human Resource Management; as an ongoing appropriation subject to future budget constraints, \$190,000 from the General Fund for fiscal year 2008-09; and as an ongoing appropriation subject to future budget constraints, \$7,646,100 from the Uniform School fund for fiscal year 2008-09. SB 38 S4	Transparency in Government	W. Niederhauser	This bill extends the date that notice of open and public meetings must be placed on the Utah Public Notice Website from April 1, 2008 to October 1, 2008; and prohibits a court from voiding a final action taken by a public body for failure to comply with the requirements to post written notice on the Utah Public Notice Website for a meeting that is held prior to April 1, 2009. This bill provides an immediate effective date.	<u>H</u>							
SB 38 S6	Transparency in Government	W. Niederhauser	This bill extends the date that notice of open and public meetings must be placed on the Utah Public Notice Website from April 1, 2008 to October 1, 2008; prohibits a court from voiding a final action taken by a public body for failure to comply with the posting written notice requirements on the Utah Public Notice Website if the posting is made for a meeting that is held prior to April 1, 2009; provides for definitions; creates the Utah Public Finance Website for the purpose of providing public financial information, and provides that it be administered by the Division of Finance; requires state entities to provide public financial information that will be accessed through the Utah Public Finance Website; provides the required capabilities of the website, and provides for website accessibility; creates the Utah Transparency Advisory Board to: advise the Division of Finance on website implementation and administration and on what public financial information must be made available on the Internet; and to develop plans, make recommendations, and evaluate the cost effectiveness of implementing certain information resources on the website; provides that the Division of Finance, in connection with the board, may make rules to: determine what public financial information must be made available on the Internet; require specific reporting obligations that are required of participating entities, including the frequency and form of submission of the information; and establish minimum website capability requirements; and provides for board membership and other duties. This bill provides an immediate effective date.	<u>PSH</u>							
SB 39	Mathematics, Science, and Technology Education Task Force	H. Stephenson	This bill creates a Mathematics, Science, and Technology Education Task Force; designates task force membership and staffing; requires the task force to first study issues relating to mathematics education, including mathematics standards, the state's mathematics core curriculum, and articulation of mathematics education between public education and higher education; requires the task force, as time permits, to study issues relating to science and technology education; and requires the task force to make a report to the Education Interim Committee. This bill appropriates: \$15,225 to the Senate; and \$21,315 to the House of Representatives. This bill is repealed on November 30, 2008. <i>USBE Comment: The Utah State Board of Education believes that work has already been done and wants to review test scores before additional changes are made.</i>	<u>SFI</u>	O W/C	U	SC				O
SB 41	Extended School Year Incentive	H. Stephenson	This bill creates the Extended School Year Incentive Program to provide grants to school districts to pay for costs relating to converting to an extended school year schedule; requires the State Board of Education to solicit grant proposals from school districts and award grants on a competitive basis; and directs the State Board of Education, in selecting grant recipients, to consider: certain benefits that may be achieved by a school district's proposed conversion to an extended school year schedule; and the unique circumstances of small, rural school districts. This bill appropriates: for fiscal year 2008-09 only, \$32,000,000 from the Uniform School Fund. This bill takes effect on July 1, 2008.	<u>HR</u>	SC	O	SC				H
SB 41 S1	International Education Initiative - Critical Languages Program	H. Stephenson	This bill modifies the Critical Languages Program; establishes the Dual Language Immersion Program as a pilot program; makes a nonlapsing appropriation; and makes technical corrections. This bill appropriates: \$750,000 from the Uniform School Fund for fiscal year 2008-09 only to the State Board of Education. This bill takes effect on July 1, 2008.	<u>PSH</u>							
SB 42	Utah College of Applied Technology - Governance and Operations	G. Bell	This bill modifies the powers and duties of the State Board of Regents relating to the Utah College of Applied Technology and its college campuses; requires Utah College of Applied Technology budget and capital facilities requests to be submitted to the State Board of Regents for review and discussion and to be accompanied by written findings; requires the promotion of certain partnerships for awarding degrees; modifies campus president appointment and compensation provisions; and requires the State Board of Regents to conduct certain studies. Uncodified Section 5 is repealed on November 30, 2008.	<u>SFI</u>		O					
SB 48	Equalization of School Capital Outlay Funding	D. Eastman	This bill defines terms; increases the property tax rate a school district may impose to receive a distribution from the Capital Outlay Foundation Program from .0024 per dollar of taxable value to .0030 per dollar of taxable value; appropriates \$52,858,000 to the State Board of Education to be distributed in accordance with the Capital Outlay Foundation Program; and makes technical changes. This bill appropriates as an ongoing appropriation subject to future budget constraints, \$52,858,000 from the Uniform School Fund for fiscal year 2009-10, to the State Board of Education. This bill takes effect on January 1, 2009.	<u>SC</u>	O	S

SB 55	Basic Skills Competency Test Amendments	P. Jones	This bill prohibits a student who does not pass the basic skills competency test from receiving a high school diploma, except with certain exceptions; provides that a student with a disability may be exempt from the requirement to pass all components of the basic skills competency test to receive a high school diploma; requires a school district or charter school to provide that the IEP or 504 plan of a student with a disability specifies whether the student must pass any or all components of the basic skills competency test to receive a high school diploma; and requires the State Board of Education to report to the Education Interim Committee data on the basic skills competency test and high school completion. This bill provides an effective date.	L		H					
SB 61	Financial and Economic Literacy Education	P. Jones	This bill creates a financial literacy passport that tracks mastery of financial literacy concepts and is optional for students; requires the State Board of Education to: work with private and non-profit entities to create the financial literacy passport; coordinate financial literacy instruction with existing instruction; create staff development programs and assessments; and make rules related to financial literacy education; requires an annual report to the Education Interim Committee for five years; and makes technical changes. This bill appropriates: as an ongoing appropriation subject to future budget constraints, \$100,000 from the Uniform School Fund for fiscal year 2008-09, to the State Board of Education for financial literacy professional development and assessments; and \$150,000 from the Uniform School Fund for fiscal year 2008-09 only, to the State Board of Education for curriculum integration and development of assessments and materials related to financial literacy. This bill takes effect on July 1, 2008.	SFI	SC	SC		S

SB 71	School District Amendments	C. Walker	This bill enacts definitions; lengthens the time in which transition teams must be appointed; extends the deadline for the existing school district to prepare an inventory of existing school district property; defines a date at which existing school district property and liabilities are to be determined; extends the deadline by which the transition teams are to determine the allocation of existing school district property; requires transition teams to prepare a written report setting forth the property allocation; authorizes a transition team to close its meeting for the purpose of discussing the allocation of school district property; modifies the required content of an inventory that an existing district is required to provide; requires transition teams to consider the value of school buildings and associated property in making the allocation of other existing district property; requires an existing school district to make money available to the remaining district and the a new district, provides for who can access and spend that money, and requires transition teams to consider that money in allocating existing district property; requires an existing school district to transfer title of property to the new district within a certain time, and allows that date to be moved to an earlier date upon the mutual agreement of the school district boards; prohibits an existing school district from transferring title to school district property exceeding a certain value without the consent of specified boards or bodies; and makes technical changes. This bill provides an immediate effective date.	S		O					W
SB 71 S2	School District Amendments	C. Walker	This bill enacts definitions; lengthens the time in which transition teams must be appointed; extends the deadline for the existing school district to prepare an inventory of existing school district property; defines a date at which existing school district property and liabilities are to be determined; extends the deadline by which the transition teams are to determine the allocation of existing school district property; requires transition teams to prepare a written report setting forth the property allocation; modifies the required content of an inventory that an existing district is required to provide; requires transition teams to consider the value of school buildings and associated property in making the allocation of other existing district property; requires an existing school district to make money available to the remaining district and the new district, provides for who can access and spend that money, and requires transition teams to consider that money in allocating existing district property; requires an existing school district to transfer title of property to the new district within a certain time, except upon the mutual agreement of the school district boards; prohibits an existing school district from transferring title to school district property without the consent of specified boards or bodies; and makes technical changes. This bill provides an immediate effective date.	PSH		W W/C					
SB 91	Benefits to American Board Certified Teachers	M. Madsen	This bill creates a program to provide grants to school districts and charter schools to: pay for the direct costs of teachers to obtain the American Board Distinguished Teacher certification; and provide additional compensation to teachers who obtain the American Board Distinguished Teacher certification; requires a school district or charter school to provide matching funds to receive a grant; provides that school district or charter school participation in the grant program is voluntary; and directs the State Board of Education to make rules. This bill appropriates: as an ongoing appropriation for fiscal year 2008-09, \$275,000 to the State Board of Education. This bill takes effect on July 1, 2008.	SFI		N		O			
SB 104	State Capital Facility Board - Creation and Oversight	D. Buttars	This bill creates a state capital facility board for the management of funding and project prioritization for the construction or remodeling of public school buildings; establishes board membership, organization, and staffing; assigns duties to the board, including prioritization of projects and allocation of certain school capital funding; and establishes criteria for the board to use in prioritizing capital facility funding. This bill takes effect on July 1, 2008.	SFI	O	O					
SB 118	Education Transportation Amendments	D. Peterson	This bill requires a school district to report pupil transportation costs based on an audited financial report; requires the Board of Education to allocate pupil transportation funds based on information reported by school districts from an audited financial report; provides for a minimum allocation for eligible districts; establishes a pupil transportation funding target; and makes technical changes.	SFI	S	S	S			S	S
SB 125	High School Voter Registration	K. VanTassel	This bill repeals the requirement that school districts and accredited nonpublic schools provide an estimate to the county clerk of the number of students who are 17 years old; allows, rather than requires, the county clerk to provide by-mail voter registration forms to high schools; allows, rather than requires, high schools to include the forms in senior registration packets, collect the forms, and forward them to the county clerk; repeals the requirement that public school districts and accredited nonpublic schools provide voter registration forms to students; and makes technical changes.	PSH		S					
SB 140	Education Advisory Councils	P. Jones	This bill allows a municipality or county to establish an education advisory council and requires a municipality or county to establish an education advisory council under certain conditions; specifies the purposes, duties, and membership of education advisory councils; requires education advisory councils to comply with Title 52, Chapter 4, Open and Public Meetings Act and imposes additional requirements for the posting of meeting notices; requires the State Board of Education to conduct an evaluation of education advisory councils every five years and to report the findings to the Legislature; requires a local school board to: implement training programs for school community council members; and seek the advice and consider recommendations of education advisory councils; allows local government entities and school districts to contract and cooperate with one another in matters affecting the education of their residents; and allows a representative of county government to participate in local school board discussions. SB 234	Minimum School Program Amendments - Counseling and Guidance Programs	M. Dmitrich	This bill directs local school boards to establish comprehensive counseling and guidance programs for students in kindergarten through grade 12; establishes a ceiling for the state contribution to the maintenance and operations portion of the Minimum School Program for fiscal year 2008-09 of \$2,336,677,131; provides an appropriation for comprehensive counseling and guidance programs; specifies how money appropriated for comprehensive counseling and guidance programs shall be distributed to schools; and makes technical amendments. This bill appropriates: as an ongoing appropriation, \$2,315,677,131 from the Uniform School Fund for fiscal year 2008-09; and as an ongoing appropriation, \$21,000,000 from the Interest and Dividends Account for fiscal year 2008-09. This bill takes effect on July 1, 2008. This bill coordinates with H.B. 1, Minimum School Program Base Budget Amendments, by providing substantive superseding amendments. <i>USBE Comment: The Utah State Board of Education believes that ratios should match funding.</i>	SFI	S W/C	S		S			
SB 241	Local Governmental Cooperation in Education Matters	P. Jones	This bill allows local governmental entities and school districts to contract and cooperate with one another in matters affecting the education of their residents; allows a local governmental entity to specify: the purpose for which public funds are disbursed to a school district; and that public funds disbursed to a school district shall be used within the boundaries of the local governmental entity; and allows a representative of county government to participate in local school board discussions.	SFI		U					
SB 259	Capital Outlay Equalization for Divided School Districts	D. Eastman		L							
SB 281	Use of Minimum School Program Nonlapsing Balances	H. Stephenson	This bill requires the State Board of Education to allocate Minimum School Program nonlapsing balances to provide: one-time signing bonuses for new teachers; one-time performance-based compensation; and a grant program to minimize the expenses of teachers to obtain the American Board Distinguished Teacher certification and to provide additional compensation to teachers who obtain that certification; and makes technical corrections. This bill appropriates: \$25,000,000 from Minimum School Program nonlapsing balances for fiscal year 2008-09 only.	SR							
SB 281 S1	Use of Minimum School Program Nonlapsing Balances	H. Stephenson	This bill requires the State Board of Education to allocate Minimum School Program nonlapsing balances to provide: one-time signing bonuses for new educators; and one-time performance-based compensation; and makes technical corrections. This bill appropriates: \$25,000,000 from Minimum School Program nonlapsing balances for fiscal year 2008-09 only.	PSH							
SB 282	Capital Outlay Equalization	D. Eastman		L							
SB 286	Transportation and Transit Amendments	S. Killpack	This bill provides that a public transit district is not required to conform to any municipal or county land use ordinances when constructing: a rail fixed guideway public transit facility that extends across two or more counties; or a structure that serves a rail fixed guideway public transit facility that extends across two or more counties; repeals the provisions providing that a public transit district is not required to conform to municipal or county land use ordinances when constructing certain public transit facilities on July 1, 2013; and makes technical changes.	PSH							
SCR 2	Resolution Promoting Legislators Back to School Program	M. Dayton	This resolution emphasizes the importance of legislators promoting greater understanding of the legislative process and building public trust and confidence in representative democracy through civic education; recognizes Utah's high level of participation in the National Conference of State Legislatures' Legislators Back to School Program from students, teachers, and legislators during 2007; and urges continued support for and participation in Utah's Legislators Back to School Program during the 2008-09 school year.	PSH		S					
SJR 1	Resolution Encouraging the Advertisement of Alternative Routes to Teaching	M. Dayton	This resolution encourages the State Board of Education, superintendent of public instruction, school districts, charter schools, and institutions of higher education to advertise alternative routes to teaching, including placing prominent, simple information on appropriate websites; requests that the superintendent of public instruction shall, in 2008, 2009, and 2010, annually send a letter to school district superintendents and principals to encourage the training of administrators about the alternative routes to teacher licensing, including the competency-based licensing program; and directs a copy of the resolution be sent to various parties.	PSH		SC	S				
SJR 11	Master Study Resolution	C. Bramble	This resolution gives the Legislative Management Committee items of study it may assign to the appropriate interim committee during the 2008 legislative interim; directs interim committees assigned these studies to study and make recommendations for legislative action to the 58th Legislature prior to the 2009 Annual General Session; and suggests in approving studies the Legislative Management Committee give consideration to the available time of legislators and the budget and capacity of staff to respond.	PSH
